SUPPLEMENTARY INFORMATION:

Background

On January 7, 2016, based on a timely request for review by Mitsubishi Polyester Film, Inc. and SKC, Inc. (collectively, "Petitioners"), the Department published in the *Federal Register* a notice of initiation of an administrative review of the antidumping duty order on PET film from the PRC with respect to four companies covering the period November 1, 2014

through October 31, 2015.¹ On February 29, 2016, Petitioners withdrew their request for an administrative review of all of the companies for which the Department initiated a review.²

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the publication of the notice of initiation of the requested review. In this case, Petitioners timely withdrew their review request by the 90-day deadline, and no other party requested an administrative review of the antidumping duty order. As a result, we are rescinding the administrative review of the antidumping duty order on PET film from the PRC for the period November 1, 2014, through October 31, 2015, in its entirety.

Assessment

The Department will instruct U.S. Customs and Border Protection (“CBP”) to assess antidumping duties on all appropriate entries. Because the Department is rescinding this administrative review in its entirety, the entries to which this administrative review pertained shall be assessed antidumping duties that are equal to the cash deposits of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP within 15 days after the publication of this notice.

liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Administrative Protective Orders

This notice also serves as a final reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested.
